ISLAND EXHIBITION SPACE

CENTRAL LOCATION

Nor-Shipping Island offers a prime city center location within easy walking distance of anywhere in central Oslo. Tjuvholmen is known for its contemporary architecture, high-quality restaurants and art and now also its brandnew design hotel, the Thief. The popular Aker Brygge wharf area is also right at its doorstep.

NOR-SHIPPING SCULPTURE PARK

As we gather the worlds finest ship & equipment design in Oslo, we invite our exhibitors to showcase their technology physically also in the city centre. At four different areas within Nor-Shipping Island, we have reserved spots for propellers and equipment

EASY ACCESS

Its heart-of-Oslo location makes it easy to reach Nor-Shipping Island, helping make it the premier social meeting spot for our delegates. Note that complimentary shuttle transport can take you to and from Nor-Shipping Island and our popular Tuesday night BBQ party.

REWARDING OUR EXHIBITORS AND PARTNERS

As Nor-Shipping partner and exhibitor, you can utilize the exclusive opportunity to create your own company venue space with separate “by invitation only” sections, or reserve an entire venue for the night. Teaming up with our high-quality preferred venue partners, Nor-Shipping offers a buzzing environment, with the right place and package for everyone – low-key or high-end. You will get access to the perfect platform and atmosphere for your very own customer event, with less stress and planning required. Across the bay, there will also be a more restricted area hosting up to 3 bigger vessels.

PACKAGE DEALS & PLANNING

Our venue partners will offer various packages of wining, dining and additional elements you should require to set the right atmosphere and touch to your event. In addition to the land-based venues, there will be a number of yachts and day-cruisers of various sizes available for full- or part-day chartering alongside the Festival Street. We know how busy our partners & exhibitors are prior to Nor-Shipping, and aim to enable you to enjoy the facilities of a professionally organized festive area, at the same time reducing costs and workload associated with your client events.

BOOK YOUR EVENT

Festival Street is the optimal venue to meet and greet before departing for the Nor-Shipping BBQ at DNV or other VIP events, to drop by between other events, or to enjoy a night-cap after your formal commitments. Reserve your event venue today to be in the center of it all! Venues are also open for lunch reservations, based on capacity.

DELEGATES' LOUNGE

BAR Tjuvholmen is our Delegates' Lounge for the week, and will be open to all delegates after work and throughout the evening, Monday through Thursday. This venue is in the heart of the Festival Street and will be a don't-miss spot during the entire week. Some sections of the venue will be available for reservations. A core site for many of the Young@NorShipping events during the week, BAR Tjuvholmen will also be centre arena for the official Nor-Shipping Closing Party on Thursday.

ONBOARDING @NOR-SHIPPING ISLAND

We have reserved the entire guest harbor alongside the Festival Street, where our exhibitors and partners can reserve space for their own private events and meetings. This option provide the opportunity to fully enjoy the athmosphere and festives of the Festival Street, and still set the scene for client meetings and VIP gatherings for selected business partners. Catering can be provided by the onshore venues upon request.

A range of various vessels, including the one-of-a-kind 60ft Galactic Viking are among the floating venues open for reservations throughout the week. For companies planning bigger events, we have a limited number of open slots for bigger vessels along the quayside.

MISSION TO SEAFARERS CHARITY RUN

Mission to Seafarers (MtS) is the world's leading maritime welfare charity and the chosen charity for Nor-Shipping. For the second time, we are organizing the Nor-Shipping fun run, a 5km run around Oslo city centre on Monday 29 May 2017.

This exciting challenge will see 500 runners taking on the course to raise £100.000 to help support seafarers and their families in times of crisis.

Corporate partners: Mission to Seafarers are seeking corporate sponsors for the Fun-run, to ensure that this great sporting event will make a real impact on the lives of seafarers everywhere. The race served as a great team-building activity for the various companies and delegates to kick off the Nor-Shipping week in 2015. Mission to Seafarers are entirely funded by voluntary donations, and will be partnering with YoungShip and a local runners' club to facilitate a great experience for the participants.

GOOD LUCK TO ALL OUR #NorRun supporters!
