YOUR PAVILION, YOUR OPPORTUNITIES

# NOR-SHIPPING – MADE FOR MARITIME, MADE FOR YOU

Nor-Shipping is the leading maritime event week. It is the number one destination for shipping innovation, technology and talent. Nor-Shipping goes the extra mile to ensure exhibitors and delegates leverage maximum value from participation. The exhibition centre showcases 22,500 square meters of the best and latest in maritime technology, services and solutions spread across six halls. An easy-to-navigate layout - allowing shipping decision makers from around the world to mingle, connect and do business.

## NOR-SHIPPING

- ! World-class conferences
- ! Podium meetings
- ! Value-added events

In the afternoon you can enjoy building your maritime social network, with Nor-Shipping Festival Street in Oslo as the place to be. Dedicated parties, events, ceremonies and gatherings will help you unwind, enjoy and meet the right people in informal, fun-filled environments.

**The maritime world meets at Nor-Shipping 2017.  
Make sure you're a part of it.**

# NATIONAL PAVILIONS

An area has been allocated for each pavilion, offering a prime location for companies and organizations seeking to promote their business relations towards the Nordic and global markets.

Having an exhibition stand in an area with companies from the same country is a natural choice for many Nor-Shipping exhibitors. They also appreciate the convenience of being part of a pavilion where the organizer makes the plans and facilitates everything.

National pavilion exhibitors will find their booths ready on arrival. Just bring your products, posters and marketing materials. You'll be free to focus on your customers, and the organizer of your pavilion will take care of the rest.

## BENEFITS TO EXHIBITING

- ! Face-to-face meeting with top prospects
- ! High level networking and social activities
- ! Exposure to industry attendees
- ! Visibility to over 300 press and media publications

**If you would like to exhibit in one of these, please contact the organizer listed on next page for the national pavilion representing your country.**
